Canadian Tire Dealer: Jason Yung
 Technicians: Keith Hill & Mike Bailey of Store 330;
 Landon Hanson & Darren Gagon of Store 398
 Truck: 2022 Sierra Pro

About the build

This Sierra Pro now packs quite the punch thanks to AVS Matte Black Low-Profile Vent Visors (241-5240) and Hood Deflector (241-5751), along with a Matte Black Wrap to complete the look.

Lighting the way, long after the sun goes down are Alpena Spotlight/Light Bars (20-3552, 20-3535) and Light Pods (20-3561), while the K Source Snap & Zap Towing Mirror (36-2528) help with hauling loads.

In addition to the Rock Tamers Mudflap System (37-6264), Front & Rear Custom Fit Husky Mud Guards (37-2677) help provide added protection.

Stance: Cooper Discoverer AT3 All Terrain Tires (408-9256); Krank Fuse Gloss Black Wheels (241-5640) with 1.5" White Knight Spacers, lifted with a 3" Rancho Lift Kit (141-0692).

'The Trademaster'

Built at Store 408, Weyburn, Saskatchewan

Canadian Tire Dealer: Adam Roseneck
Technicians: Eric Huynh & Roger Tremblay
Truck: 2012 RAM 3500 Dually Pickup

About the build

A key feature of this transformation is the Decked Truck Bed Storage System (41-5637). Combined with the rear-mounted WARN Evo Synthetic Winch (140-0075) helps to make this dynamic workhorse all business in the back.

And when those long days on the jobsite turn into even longer nights, there's been a ton of extra lighting added, including the PIAA 2" Flood Beam Kit (20-3775), PIAA Quad Series Flood Beam Cube Lights (27-3925), KC HiLites Rock LED Lights (20-3747) and Alpena 17" Trektec Light Bar (20-3527).

Rounding out the build are Weathertech Front/Rear Floorliners (131-2255, 131-2254) that match the Dually's tan interior and exterior wrap and (6x) BFGoodrich KO2 All Terrain Tires (202-2066X).

As the name suggests, these types of covers simply roll out of the way when needed in order to provide you with full truck bed access and basic weather protection.

Soft Fold

Lightweight, vinyl fabrication makes soft fold covers easy to operate—and since they are sturdier by design, they also tend to offer more protection than roll-ups.

PAYMENT PLANS

^{††}Financing available is "Equal payments, no interest" for 24 months (unless otherwise stated) and is only available on request, on approved credit and on purchases of \$150 (unless otherwise stated) or more (Gift Cards excluded) made with your Triangle credit card at Canadian Tire, Sport Chek, Mark's, L'Équipeur, Atmosphere, Pro Hockey Life, Party City, Sports Rousseau, Hockey Experts, L'Entrepôt du Hockey and participating Sports Experts stores. Interest does not accrue during the period of the plan. However, if we do not receive the full minimum due on a statement within 59 days of the date of that statement, or any event of default (other than a payment default) occurs under your Cardmember Agreement, all special payment plans on your account will terminate and (i) you will then be charged interest on the balances outstanding on such plans at the applicable regular annual rate from the day after the date of your next statement, and (ii) the balances outstanding will form part of the balance due on that statement. There is no administration fee charged for entering into a special payments plan. Each month during an equal payments plan you are required to pay in full by the due date that month's equal payments plan instalment. Any unpaid portion not received by the due date will no longer form part of the equal payments plan and interest will accrue on that amount from the day after the date of your next statement at the applicable regular annual rate. Offer subject to change without notice. ^{†††}The Triangle Rewards Program is owned and operated by Canadian Tire Corporation, Limited. The Triangle[®] credit cards are issued by Canadian Tire Bank.
