## Positive change starts here

Walmart Canada is working to reduce waste to landfill,  
recycling resources and sourcing smarter.

We're striving to shrink our environmental impact, so you can too,  
with quality products – and prices – you'll feel good about.

When it comes to  
thread count, 400 is the  
sweet spot for softness,  
breathability and value!

### Sustainability goals

Walmart Canada  
is working to  
source 100% more  
sustainable cotton,  
including organic  
cotton and third  
party certified  
sustainable cotton.
