

BALDUCCI'S

WEEK OF 5/17 - 5/23/24

CERTIFIED ANGUS PRIME NEW YORK STRIP STEAKS

Look no further than our full-service butcher counter, for Certified Angus Prime. The New York Strip loin is very popular and is among the best cuts for flavor and perfect for grilling both with a rub, marinade or just finished with sea salt!

NORTH ATLANTIC DAY BOAT SCALLOPS

Our cold-water North Atlantic Sea Scallops are graded, rinsed and sent directly to our stores within 48 hours of harvest. Our scallops are “dry” meaning they have never been treated with any chemicals or preservatives. This enables the firm, sweet texture to sear perfectly, retaining the moisture of the scallops and helps to prevent overcooking.

FRESH LUAU BOWLS

We start with only the best hand selected fruit at the peak of ripeness and flavor. So you don't have to guess if the melons are ripe and the pineapples are sweet. Our fruit is hand-cut daily to ensure the freshest quality.

MINI CHEESE PLATES

Choose from: Italian, Spanish, European, Gouda tasting and flight of American cheddars. You don't need a crowd or a special occasion to enjoy one of our delicious mini cheese boards. Treat yourself!
