PAYMENT PLANS

*This financing program is a special payment plan. Each equal payment plan and deferred payment plan, are only available on request, on approved credit and with a "Borrower's" credit card issued by Canadian Tire Bank. Not available on purchases using a Low Rate Option MasterCard®. There is no administration fee charged for entering into a special payment plan. Terms of the special payment plan in 24 months unless stated otherwise. Minimum purchase of \$50 (unless stated otherwise), excludes GST.

Interest does not accrue during the period of the plan. However, if we do not receive the full minimum due on a statement within 59 days of the date of that statement, or any part of that statement, a payment default will occur under your Consumer Agreement, all special payment plans on your account will terminate and (i) you will then be charged interest on the balance outstanding on such plan at the applicable regular annual rate from the day after the date of your next statement, and (ii) the balance outstanding will form part of the balance due on that statement. Each month during an equal payment plan you are required to pay that month's equal payment plan installment in full by the due date. Any unpaid portion not received by the due date will no longer form part of the equal payments and interest will accrue on that amount from the day after the date of

your next statement at the applicable regular annual rate. Offer subject to change without notice.
