Total by Verizon: *In times of congestion, your data may be temporarily slower than other traffic. At 2G speeds, the functionality of some data applications, such as streaming audio or video, may be affected. Video streams at up to 480p. Additional terms may apply. ¹Use up to 15 GB of non-sharable data per line for hotspot usage counted against existing high speed data allotment. Once Hotspot allotment has been exhausted, hotspot cannot be used until next plan cycle. Compatible device required. ²Unlimited Calls available to up to 21 unique international landline and mobile numbers in Canada and Mexico only, which reset each time a new plan is redeemed. Calls must originate from the US or Puerto Rico. No international roaming allowed. For personal use only. Other terms and conditions apply. SIMPLE Mobile: *If congested, customers may notice reduced speeds vs carrier postpaid customers that may be further reduced for a small number of customers who use more than 40 GB. At 2G Speeds, the functionality of some data applications, such as streaming audio or video may be affected. **Each account is allowed to dial up to 21 unique international telephone numbers during a 30-day plan cycle, which resets each time a new plan is redeemed. Unlimited international calls are available to landline and mobile numbers in select destinations only, which are subject to change at any time. Calls to mobile numbers in certain countries not included. For a complete list of countries, visit simplemobile.com. Calls must originate from the US, Puerto Rico or select roaming countries. Other terms and conditions apply. For personal use only. See Terms and Conditions of Service at simplemobile.com. 5G access requires a 5G-capable device in a 5G coverage area.
