The Perfect *Pairing*

Together, we make parties better.

Get pairing and pouring with these curated tips from our wine and cheese experts.

CHARDONNAY SIGNATURE RESERVE™ RUSSIAN RIVER VALLEY
A dry, medium-bodied white wine with apple and pear notes, which makes it fruity and crisp.

Cheese Pairing: Mild cheeses such as fresh Goat Cheese, Brie, Camembert or Burrata.

SAUVIGNON BLANC
Crisp, elegant and fresh.

Cheese Pairing: The zippy acidity in a Sauvignon Blanc wine matches the tangy acidic notes in goat cheese making a delicious and invigorating pairing.

PINOT NOIR SIGNATURE RESERVE™ CARNEROS

A dry, light to medium-bodied red wine with earthy notes and red fruit flavors.

Cheese Pairing: Aged cheese, such as Asiago, Provolone and Havarti, or a nutty cheese with medium firmness, such as Gruyere.

CABERNET SAUVIGNON

SIGNATURE RESERVE™ NAPA VALLEY

A full-bodied and dry red with hints of herbs and dark fruits.

Cheese Pairing: Aged cheddar and other intense firm and salty cheeses such as Manchego, Gouda and Parmesan Reggiano.

RIESLING Sweet, often citrusy, or floral white wine.

Cheese Pairing: Pungent and salty cheeses such as Blue Cheese.

Charcuterie

Know-how

All the tips and tricks you need to build a board like a pro!

FOR THE LITTLES

A great way to introduce your kids to new flavors and textures.

- Dips: Kids love to play with their food. Dips offer an excuse to do just that. Hummus, sour cream, guacamole, and salsa make great choices for any fresh veggie or chip.
- Crackers: A great filler and compliment to any board.
- Nuts: A delicious addition that adds crunch, but be mindful of allergies.
- Cheeses: Kids love cheddar and mozzarella, but add some new flavors to open their minds.
- Finger foods: Think small! Pre-slice all cheese and meat so it's an easy grab and go.

FOR THE ADULTS

Endless options to have fun, feed your guests and try new flavor combinations.

- Mix and match textures: Add dimension with hard and soft cheeses, bread and crackers, dried fruits and nuts.
- Balance flavors. Opposites attract – combine salty with sweet and spicy with mild.
- Quantities: A general rule to follow: offer 3-4 cheeses and 2-3 meats sized about 2-3 ounces each. Fill with fruits and veggies, dips, nuts, etc. If this is your main course then double that amount.
- Add color: Fruits and veggies bring beautiful color and fresh flavors.
- Add-ins: Jams and fruit spreads add sweetness to cheese and crackers. Pickles and olives add salty goodness that pair well with meat and strong cheeses.
- Get creative: Add unlikely items like chocolate, marshmallows, or unique fruits and nuts.
