Pumpkin Spice Lip Balm

I'm a sucker for seasonal scents. As soon as fall arrives, I begin making diffuser blends, roll-on perfumes, and homemade natural skincare recipes to match the seasonal shift.

Ingredients:

- 1 Tbs of Shea Butter
- 1 Tbs of Beeswax
- 1 Tbs of Apricot Oil
- 1 Tbs of Castor Oil
- 1/2 tsp Orange Mica (optional)
- 2 drops of Cinnamon Cassia Essential Oil

Melt the first 4 ingredients together, in a double broiler on low. Remove from heat, after mixture is melted and blended well. Add in mica & essential oil and while still melted add to desired container.

Better Shea Butter Apricot Oil
4 oz

Organic Unrefined

\$13.99

Sky Organics Organic Castor Oil
8 oz

\$11.99

doTERRA Cassia Cinnamon Essential Oil
15 ml

Cassia is an ideal oil to diffuse during cold months due to its warming properties and spicy scent. Because of its potential to irritate the skin, Cassia should be diluted with a carrier oil when applied to the skin and can be very strong when inhaled directly.
