McIntosh apples are popular all-purpose apples that are sweet and juicy with bright red skin, sometimes with a tinge of green. They are best enjoyed fresh, so try snacking on McIntosh apples with some peanut butter or add slices to a mixed green salad along with toasted walnuts.

Made with a blend of tree-picked Canadian apples, this fresh-pressed sweet cider is bursting with refreshing flavour. Non-alcoholic and non-sparkling, it's delicious served chilled and perfect for entertaining a crowd that includes both kids and adults. For an extra festive presentation, serve in mason mugs garnished with fresh apple and orange slices.

Honeycrisp apples have a distinctive red-speckled, yellowish skin. They are a great snacking apple and a good choice for adding some sweetness to your salad, but they are also delicious baked in a traditional apple crisp with some brown sugar and cinnamon.

Royal Gala apples are sweet and crisp with pink-orange stripes over a yellow background. They are juicy, fragrant, and best enjoyed raw. Try sliced Royal Gala apples on a salad with blue cheese and toasted walnuts.

Golden Delicious apples are popular all-purpose apples that are sweet and crisp with yellowish-green skin. They resist browning and hold their shape well so they are ideal for baking. You can also enjoy Golden Delicious apples on their own or with almonds and blue cheese as a snack.
