We are thrilled to support local businesses through our robust assortment of local products. We empower every Fresh Thyme Market team member to scout for products in their communities. Through this grassroots approach, we have built an assortment of over 8,000 local items across our stores.

We are proud to invest in the communities we serve.

Here are just some of the locally made brands available at Fresh Thyme. We invite you to support local and try them all!

HAWAIIAN SODA CO

Expertly crafted with real fruit juice; it's caffeine-free and contains no added sugar or anything artificial. It's your real flavor, real juice, and real taste drink!

USDA
ORGANIC

juni for a happy mind

Sparkling tea with adaptogens for a happy mind, Juni mindfully maxes out every can with five of the biggest hitter adaptogens and nootropics: green tea for brain health and metabolism, ashwagandha for memory and endurance, reishi mushroom to fight fatigue, lion's mane for stress and anxiety, and acerola cherry that's chock full of vitamins and antioxidants. Zero sugar, 5 calories.

GORGIE

Gorgie's energy drinks are formulated with better-for-you ingredients, natural flavors and none of the nasty sugar replacements. It's also non-gmo and vegan, AND packed with l-theanine, biotin, B6+B12, 150 mg green tea caffeine.

Local Weather

A 100% natural sports drink, proper hydration for your body as well as your mind: superpowered with adaptogens, nootropics (stuff that enhances memory) and only 6g of natural sugar. Brought to you in a resealable and infinitely recyclable aluminum bottle.
