Reser's Fine Foods

Beaverton, Oregon

Reser's family of brands includes Main St Bistro, a line of restaurant quality side dishes with made-from-scratch taste. Reser's Fine Foods is a fourth-generation family-owned company that started with our original potato salad recipe created by Mildred Reser almost 75 years ago in her farmhouse kitchen in Cornelius, Oregon. Over the years, we have grown and expanded our offering but our commitment to our core values and quality have remained the same.

WORKING TOWARDS BETTER.

Our extra-delicious dairy is made with extra care. And we don't just go above and beyond to make our dairy better—we strive to make the future better for our farms, employees, communities and ecosystems.

Learn more about the work we're doing for our farms, ecosystems and communities at Tillamook.com/Stewardship

A few ways we stay true to our values:

- Using renewable diesel, we decreased our truck fleet emissions by 65% per gallon to reduce our impact on the planet.
- 100% of our milk suppliers adhere to FARM, the industry-leading animal care standards.
- We employ more than 900 people in Oregon and every single full-time employee earns a Living Wage.
- We're proud to support local organizations like Grow Portland, Sauvie Island Center, Equitable Giving Circle, Girls Inc. PNW and The Children's Institute.
