Prices for products ordered online are based on the current price at the store that prepares your order. The time of day that price updates occur may differ between the store preparing your order and online. You will pay the prices, fees, and other charges, and receive the promotions, offers, discounts, and savings applicable to your order on the day and time that your order is prepared and processed for final payment, which may be different from those shown in the Estimated Total when you place your order online. Any negative balance/credit amount shown resulting from Promo Codes, coupons, or other discounts and offers will be adjusted to \$0.
