*Locally Raised
 Slagel Farms
 Fresh Turkey*

FAMILY OWNED IN
FAIRBURY, IL

Slagel Farms is dedicated to raising livestock in free-range, humane conditions. Their turkeys are raised without hormones or antibiotics. A key feature that sets Slagel Farms' turkeys apart is their use of air chilling. Compared to traditional water immersion, air chilling results in a better flavor and texture, less water weight, is safer and cleaner, and cooks better. You can feel confident that the Thanksgiving turkey you bring home is healthy, ethically raised, and free from unnecessary additives.
