**We match prices\* so you can just shop!**

Every week, we actively check our major competitors' flyers and match the price on hundreds of items.

Look for the Ad Match message in store for the items we've actively matched. Plus, we'll match any major competitor's flyer item if you show us!

Since we Ad Match, we may not have sold at the After Limit price (and may not in the future).

\*We match prices applies only to our major supermarket competitors' flyer items. Major supermarket competitors are determined solely by us based on a number of factors which can vary by store location. We will match the competitor's advertised price only during the effective date of the competitor's flyer advertisement. WE RESERVE THE RIGHT TO LIMIT QUANTITIES (note that our major supermarket competitors may not). Due to the fact that product is ordered prior to the time of our Ad Match checks, quantities may be limited. We match identical items (defined as same brand, size, and attributes) and in the case of fresh produce, meat, seafood and bakery, we match a comparable item (as determined solely by us). **We will not match:** competitor's private label offers on non-identical items, "spend x get x", "Free", "Clearance", discounts or coupons obtained through loyalty programs including PC Optimum™, PC Optimum Member Only Pricing, participating items under the Save it Forward™ program timeframe, or offers related to our third party operations (post office, gas bars, dry cleaners etc.). We reserve the right to cancel or change the terms of this program at any time.
