**JUICY THANKSGIVING TURKEY**

what you need...

- 2 Tbsp dried parsley
- 1 Tbsp ground dried rosemary
- 1 Tbsp rubbed dried sage
- 2 Tbsp dried thyme leaves
- 1 Tbsp salt
- 1 (15 lbs) whole turkey, neck and giblets removed
- 1 medium orange, cut into 8 wedges
- 1 medium onion, chopped into large pieces
- 1 medium carrot, cut into 1/2-inch slices
- 2 stalks celery, cut into 1/2-inch slices
- 1 (750 ml) bottle champagne
- 1 (14.5 oz) can chicken broth

make it...

**GATHER** all ingredients. Preheat the oven to 350 degrees F (175 degrees C). Line a roaster with sheets of aluminum foil long enough to wrap around turkey.  
**STIR** parsley, rosemary, sage, thyme, and salt together in a small bowl.  
**RUB** herb mixture into turkey cavity, then stuff with orange wedges, onion, carrot, and celery. Tie turkey legs together with kitchen string, then tuck the wings under the body.  
**PLACE** turkey on the foil in the roasting pan. Pour champagne and chicken broth over turkey, making sure to get some liquid in the cavity.  
**BRING** aluminum foil up and over the top of turkey and seal try to keep the foil from touching the turkey.  
**ROAST** turkey in the preheated oven until juices run clear, 2 1/2 to 3 hours. Uncover turkey and continue baking until the skin turns golden brown, 30 to 60 more minutes. An instant-read thermometer inserted into the thickest part of thigh, near the bone, should read 180 degrees F (82 degrees C).  
**REMOVE** turkey from the oven, cover with two sheets of aluminum foil, and allow to rest in a warm area before slicing, 10 to 15 minutes.
