Kitchen Notes from Will White

Enjoying coffee cake for breakfast on Thanksgiving morning is a delightful way to start the holiday. The moist, buttery cake, often topped with a cinnamon-sugar crumb or streusel, pairs perfectly with a warm cup of coffee or tea. It's a comforting, yet simple treat that can

be made ahead of time, allowing everyone to enjoy a relaxed morning before the busy day of cooking and celebration begins. Sharing coffee cake with family adds a cozy, homey touch to Thanksgiving, creating a sweet moment to savor before the festive meal preparations are in full swing.
