### Creamy Sun-Dried Tomato & Parmesan Fusilli With Broccoli & Cauliflower

#### INGREDIENTS

- 1 (1-pound) package DeLallo Organic Whole-Wheat Fusilli Pasta
- 1 crown fresh broccoli, cut into florets
- 1/2 head cauliflower, cut into florets
- 3 cups heavy cream
- 1/2 cup grated Parmesan cheese, plus more for serving
- 2 tablespoons DeLallo Simply Pesto® Sauce - Sun-Dried Tomato, Basil & Cheese
- 1 (6.7-ounce) jar DeLallo Sun-Dried Tomatoes, drained and chopped

#### DIRECTIONS

Bring a large pot of salted water to a boil. Cook pasta according to package instruction. Drain, reserving 1/2 cup of pasta water.

In the meantime, fill a pot with a few inches of water, then bring that water to a simmer over medium-high heat. Add florets and cover. Steam for 4-5 minutes until tender. Drain and set aside.

In a large saucepan, heat heavy cream on a low setting. Stir in grated cheese. Once the sauce is warmed, stir in sun-dried tomato pesto. Cook together for about 3 minutes to infuse flavors.

Add sun-dried tomatoes, steamed florets and the hot pasta to the saucepan. Cook together for another 2 minutes on medium heat. Add reserved pasta water if necessary to thin sauce.

Serve topped with grated Parmesan.
