Offer valid January 1 to January 31, 2025 to Wholesale Club Business Members who spend \$1,000 or more cumulatively, before taxes and after redemptions and all coupons, discounts and exclusions are deducted, at Wholesale Club stores in Ontario and Quebec (excludes Kenora and Thunder Bay locations). Wholesale Club Business Membership must be active at the time of qualifying purchase(s) and linked to an active PC Optimum™ account. Qualifying purchases exclude tobacco, lottery tickets, alcohol, gift cards, prepaid card products including phone cards, transit/event tickets, post office transactions, passport photos, cash back, delivery charges, all non-participating 3rd party operations and any other products which are provincially regulated (including pharmacy-related transactions) or as we determine from time to time. Product availability may vary by store. Limit of one offer per Member. Eligible Members will earn PC Optimum™ points equivalent to the value of 4% of the actual cumulative qualifying purchases made between January 1 and January 31, 2025. For the purposes of this offer, points will be calculated by first multiplying the cumulative qualifying purchase total by 4%, then rounding the answer to the nearest whole number, then applying the conversion rate of 1,000 points for each \$1. For example, if your total qualifying purchases totalled \$2,018.89, then 80,000 points would be issued ($\$2,018.89 \times 4\% = 80.7556$; then $80 \times 1,000 = 80,000$). Points will be awarded 7-10 business days after January 31, 2025. We are not obligated to award points based on errors or misprints. Minimum redemption 10,000 points. For redemption restrictions and full program details, see Terms & Conditions at pcoptimum.ca.
