The image shows a large, pink and white plastic playset against a blue background. The playset has a semi-circular archway at the top left. Inside the archway, there's a yellow and white striped wall. To the right of the archway is a green wall with a pink door. In front of the playset are several miniature food items: a yellow box labeled 'Nappysun Creamery', a small wooden stand with a cake on it, and a small wooden stand with a box labeled 'BIBI'. The playset itself has various shelves and compartments, some containing small figurines of people. A logo in the top right corner says 'MINI VERSE MAKE IT MINI'. A small circular logo on the left side of the archway says '8+'.

Includes UV light
& exclusive minis

The image displays a Zuru Mini Brands toy refrigerator. On the left, the closed refrigerator is shown, featuring a teal body and a white door. The front panel has a 'Mini BRANDS' logo, a 'Fill me Fridge' instruction, and a 'WARNING' label. The right side of the image shows the refrigerator open, revealing the interior shelves stocked with various toy food items like burgers, drinks, and a pizza. A 'Mini BRANDS' logo is also visible in the top right corner.
