## Something Briny

Add bright and acidic flavors like olives or grainy mustard.

## Thinly Sliced Meats

These cured or smoked meats include prosciutto, salami and coppa.

## Pâté or Mousse

Choose pork, poultry, game or vegetarian varieties to add a rich taste to your plate.

## Cheese

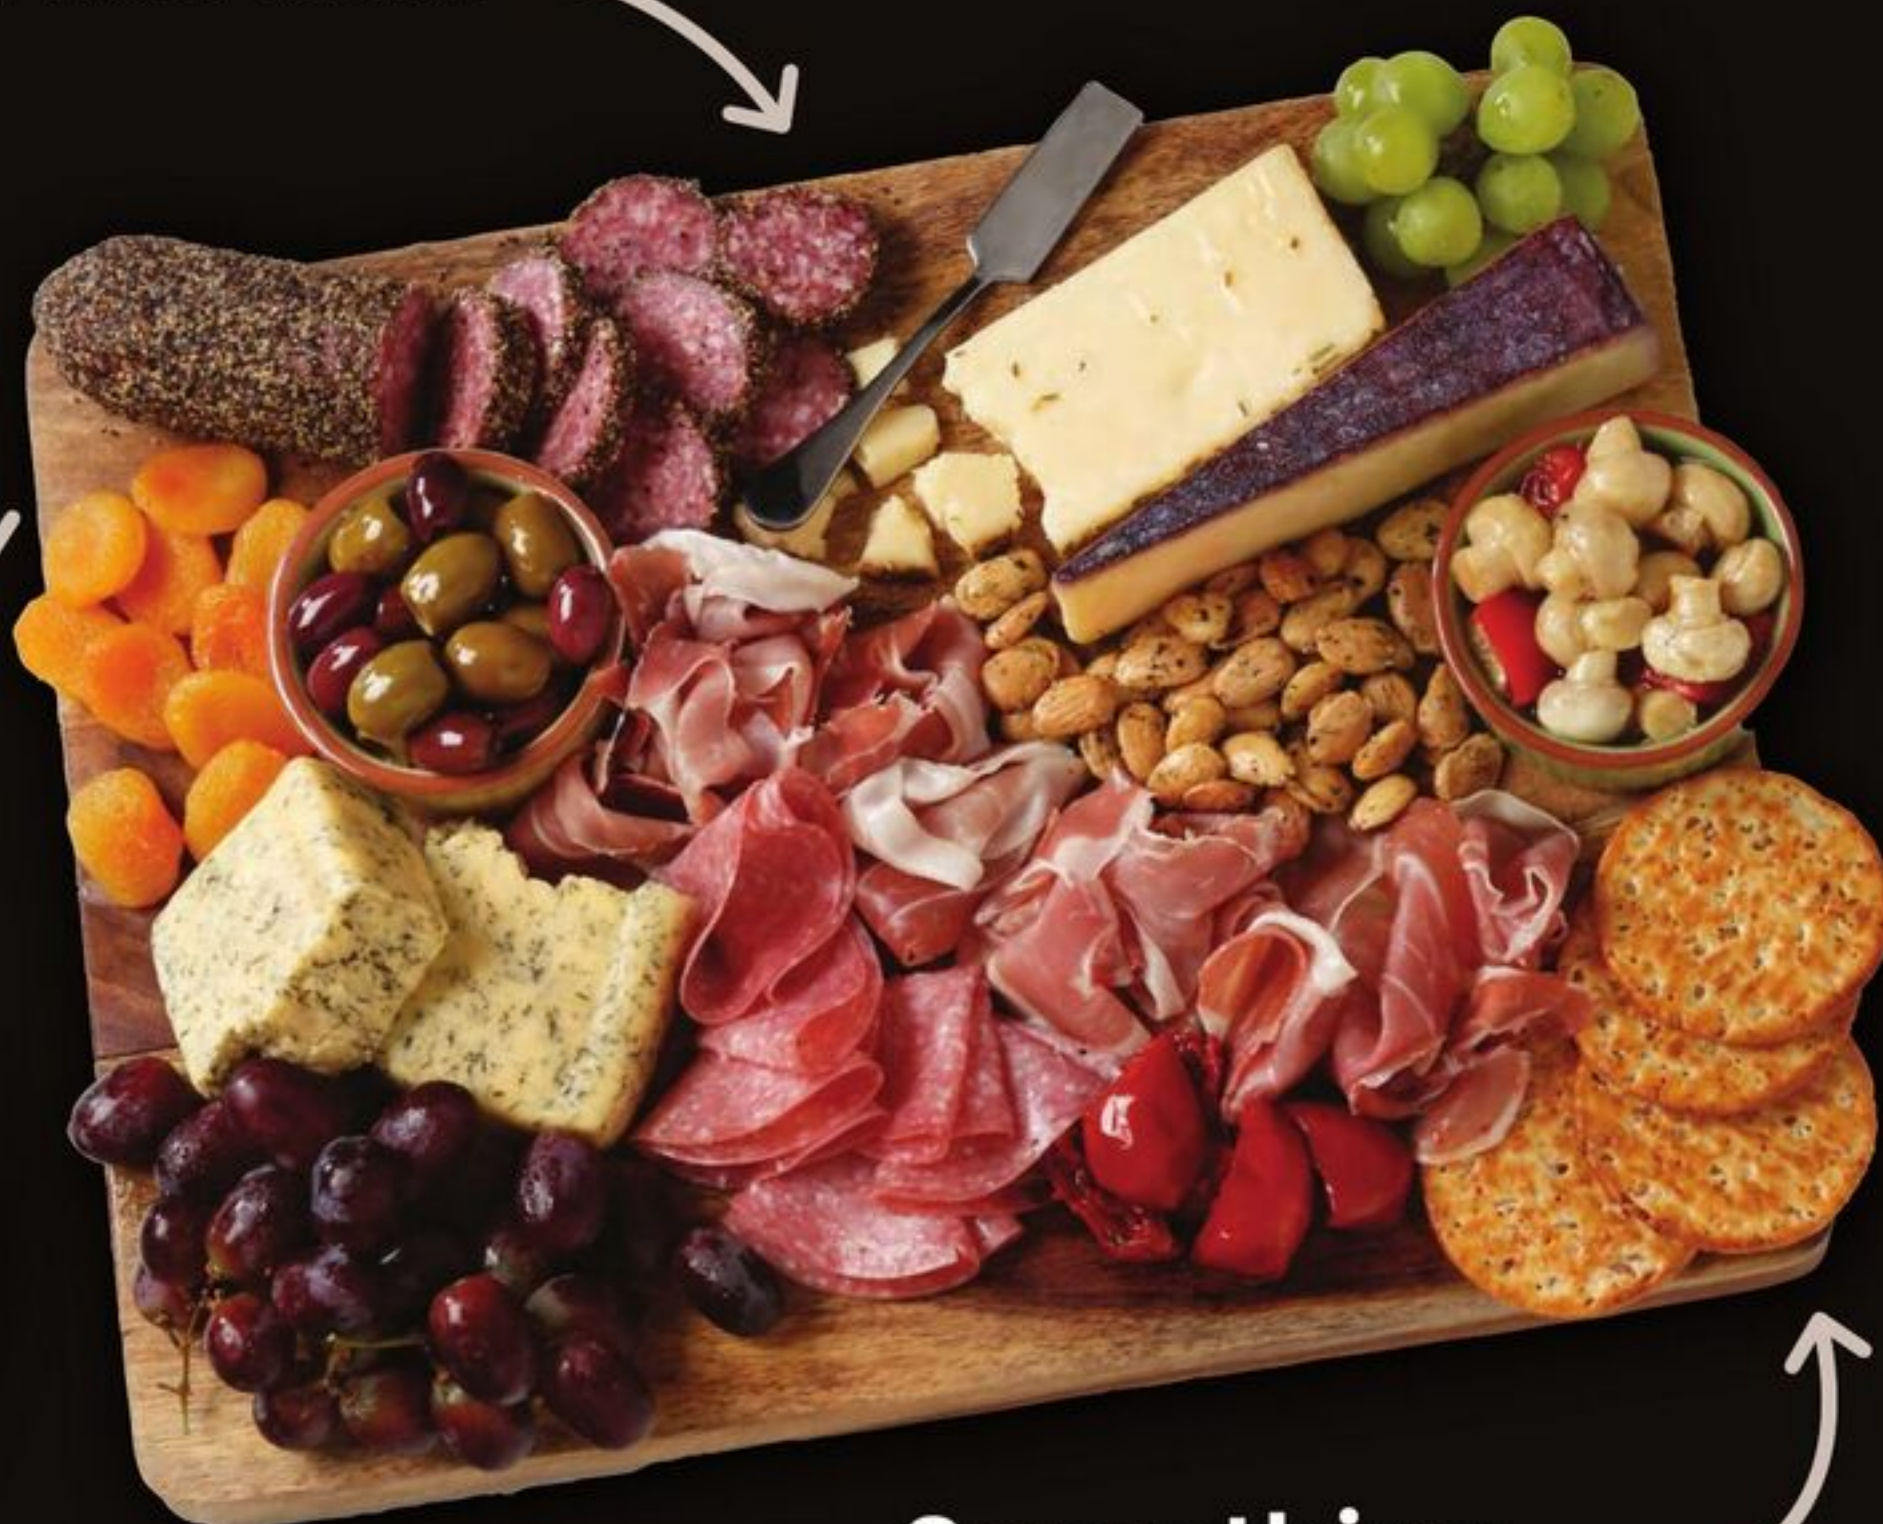

Choose a variety of cheeses to anchor your plate. Pair spicy sausage with a creamy goat cheese, prosciutto with a tasty Parmigiano-Reggiano.

## Cured Sausage

Try some spicy soppressata or a dry-cured chorizo.

## Something Sweet

Salty, fatty meats pair well with dried fruit, spreadable jam and chutney. Fig jam and dried apricots are especially tasty.
