| <b>PAYMENT PLANS</b><br>This product is from a PEFC-certified forest. PEFC-certified. www.pefc.org | <b>FINANCIAL PLANS</b><br>*The "No Interest" equal payments plan (an "EPP") is only available on request, on approved credit and with a credit card issued by Canadian Tire Bank. There is no administration fee charged for entering into an EPP. Terms of the EPP is 24 months unless stated otherwise. Minimum purchase of \$50 (plus stated charges), includes gift cards. Interest does not accrue during the period of an EPP. However, if we do not receive the full minimum due on a statement within 30 days of the date of that statement, or any event of default (other than a payment default) occurs under your Customer Agreement, all EPPs on your account will terminate and (i) you will then be charged interest on the balance outstanding on such plans at the applicable regular annual rate from the day after the date of your next statement, and (ii) the balance outstanding will form part of the balance due on that statement. Each month during an EPP you are required to pay that month's equal payments plan installment in full by the due date. Any unpaid portion not received by the due date will no longer form part of the EPP and interest will accrue on that amount from the day after the date of your next statement at the applicable regular annual rate. Offer subject to change without notice. | <b>PEFC</b><br>This product is from a PEFC-certified forest. PEFC-certified. www.pefc.org | <b>PEFC</b><br>This product is from a PEFC-certified forest.
