Produce Pick of the Week

Andy Boy Anise
(Fennel)

\$3.99
Ea.

Fennel is a member of the carrot family, though it's not a root vegetable. Fennel lovers relish its long season, which typically lasts from October through April, and enjoy showcasing the bulbous plant's distinct taste in their cooking. It has a fresh, aromatic anise flavor, and it can be eaten raw, sautéed, roasted, or even added to soups and sauces.
