# Masa Chips by Ancient Crunch

A century ago, chips were cooked in beef tallow, not seed oils. MASA brings that tradition back with organic corn and 100% grass-fed tallow, honoring the way food was always meant to be made. Free of seed oils, pesticides, and preservatives, our chips are sturdy enough for dipping and flavorful enough to stand alone. Choosing MASA means choosing a snack that puts health and taste back on the same plate.
