Chicken Noodle Soup

INGREDIENTS

- 3 1/2 pounds of chicken
- 64 oz. low-sodium chicken broth
- 2 medium carrots, peeled and thinly sliced
- 2 stalks celery, sliced
- 1/2 c. chopped onion
- 8 oz. package dried egg noodles
- 1/2 c. finely chopped fresh parsley
- 1 Tbls. lemon juice
- salt and ground black pepper to taste

INSTRUCTIONS

Place chicken into a Dutch oven; pour in broth and bring to a boil over medium-high heat. Reduce the heat, cover partially and simmer until chicken is no longer pink and the juices run clear, about 20 minutes. An instant-read thermometer inserted near the bone should read 165° F. Transfer to a large bowl. Allow chicken and broth to cool slightly, about 10 minutes. Remove and discard skin and bones from cooled chicken. Cut meat into bite-sized pieces. Skim fat off the top of the cooled broth and discard. Return chicken broth to a simmer. Add carrots, celery and onion; simmer until vegetables soften, about 8 minutes. Stir in chicken, egg noodles, parsley and lemon juice; simmer until noodles are tender, about 5 minutes. Season with salt and pepper.
