PROUD TO PARTNER WITH THESE BRANDS

At the JENNIE-O® Brand, we believe that eating well doesn't have to come at the cost of flavor. Since 1940, we've been in the business of delivering on that message. From whole turkeys to deli meat to sausage and ground turkey, we offer recipes and products that make it a snap to eat well. Our history and mission makes the JENNIE-O® Brand the leading name in turkey.

Impossible Foods is on a mission to positively impact people and the planet by making delicious, nutritious meat from plants with a fraction of the environmental footprint of meat from animals. We make chicken, beef, and pork products from plants for every meal - breakfast, lunch and dinner - with a goal of replicating the flavors, textures, and cooking experience that meat eaters crave. Every nugget, burger, and patty we sell uses less land, water, and produces less greenhouse gas emissions compared to the animal.

"At Perdue, we promise to put people over profits and remain No Antibiotics Ever. We will always put the health of our chickens and your family above everything else."
Jim Perdue

Dutch Farms is a local Chicagoland business offering high-quality products at an honest price. Dutch Farms is a family owned, operated and loved company. We are deeply committed to serving our neighbors and surrounding communities and share a portion of the profits from every product sold. We take great pride in being a part of our customers' daily meals and hope you enjoy every bite!
