PAYMENT PLANS

PAYMENT PLANS

No Fee, No Interest equal payments plan (an "EPP") are only available on request, on approved credit and with a credit card issued by Canadian Tire Bank. There is no administration fee charged for entering into an EPP. Term of the EPP is 24 months unless stated otherwise. Minimum purchase of \$150 (unless stated otherwise), excludes gift cards.

Interest does not accrue during the period of an EPP. However, if we do not receive the full minimum due on a statement within 59 days of the date of that statement, or any event of default (other than a payment default) occurs under your Cardmember Agreement, all EPPs on your account will terminate and (i) you will then be charged interest on the balances outstanding on such plans at the applicable regular annual rate from the day after the date of your next statement, and (ii) the balances outstanding will form part of the balance due on that statement. Each month during an EPP you are required to pay that month's equal payments plan instalment in full by the due date. Any unpaid portion not received by the due date will no longer form part of the EPP and interest will accrue on that amount from the day after the date of your next statement at the applicable regular annual rate. Offer subject to change without notice.

*CT Money is collected on the number of whole litres of fuel (gasoline or diesel) purchased when you pay with your Triangle credit card, rounded down to the nearest whole litre. Rate subject to change and could vary by location. Triangle World Elite Mastercard holders collect 7¢ per litre back on premium fuel. Not all Gas+ locations have premium fuel. Petro-Canada is a Partner in the Triangle Rewards program.

Visit the Partners page at triangle.com for details and exclusions.

Each time you use your linked Triangle Rewards card or Petro-Points card on qualifying purchases at Petro-Canada and participating Gas+ locations, you will earn a bonus of twenty percent (20%) more Petro-Points than you normally earn. Bonus points are not calculated on an earn already amplified by another partner bonus. You must have a registered account with both Triangle Rewards and Petro-Points to link your accounts. Once linked, members can use either their Triangle Rewards or Petro-Points card to earn both CT Money® and Petro-Points at Petro-Canada and participating Gas+ locations.

The Petro-Points program is owned and operated by Suncor Energy Products Partnership. Petro-Points are not awarded on taxes on non-petroleum purchases, tobacco, vaping products, gift cards and transit tickets. Petro-Points are earned on qualifying purchases when you use your Petro-Points card or pay using a linked RBC® debit or credit card. You must go in-store to collect points using the Petro-Canada app or your digital Petro-Points card. Petro-Points program terms and conditions available at petro-points.ca/terms.
