Limited time offer, subject to change or cancellation. Redemptions at points level available while offer lasts as specified above in a single transaction. In cases of insufficient spend amount causing customers not being able to optimize the offer, the system will automatically suggest/default to a lower redemption threshold, so that customer can always redeem the least amount of available points and achieve the maximum value of offer available. In no event will customers receive extra points in lieu of the forfeited value as part of this offer. Redemptions must be in increments of 10,000 points up to a maximum of 500,000 PC Optimum™ points in one transaction. Applicable fees and taxes payable on full purchase price before application of redemption value. Not redeemable for cash or credit. Exclusions apply.
