## Lemon Blueberry Layer Cake

### INGREDIENTS (Yields 12 Servings)

- 1/2 cup (8 Tbsp.) unsalted butter, softened
- 1-1/4 cups granulated sugar
- 1/2 cup packed light brown sugar
- 6 tablespoons vegetable oil, canola oil, or avocado oil
- 4 large eggs, at room temperature
- 1 tablespoon pure vanilla extract
- 3 cups all-purpose flour (spooned & leveled)
- 2 teaspoons baking powder
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 3/4 cup buttermilk, at room temperature
- 2 tablespoons lemon zest
- 1/2 cup lemon juice (3-4 lemons), at room temperature
- 1 and 1/2 cups fresh blueberries
- 1 tablespoon all-purpose flour

### Cream Cheese Frosting

- 8 ounces full-fat brick cream cheese, softened
- 1/2 cup (8 Tbsp.) unsalted butter, softened
- 3 and 1/2 cups confectioners' sugar
- 1 tablespoon heavy cream
- 1 teaspoon pure vanilla extract
- pinch salt

### DIRECTIONS

**Step 1.** Preheat oven to 350°F. Grease three 8-inch round cake pans, line with parchment paper rounds, then grease parchment paper.

**Step 2.** Make the cake: Using a handheld or stand mixer with paddle attachment, beat butter on high until smooth and creamy, about 1 minute. Add granulated and brown sugars and beat on medium-high speed until combined, about 2 minutes. Add oil and beat until combined and light and creamy, about 3 more minutes. Add eggs and vanilla, and beat on medium speed until everything is completely combined, about 1 minute.

**Step 3.** In a large bowl, whisk together flour, baking powder, baking soda, and salt. Add dry ingredients to wet ingredients. Beat on low for a few seconds, then beat in milk, lemon zest, and lemon juice "just" until combined. Toss the blueberries with 1 Tablespoon of flour and gently fold into the batter.

**Step 4.** Spoon batter evenly into prepared cake pans. Bake for 22-26 minutes or until a toothpick inserted in the center comes out clean. Remove from the oven and allow to cool completely.

**Step 5.** Make the frosting: Using a handheld or stand mixer with a paddle attachment, beat cream cheese and butter together on medium until no lumps remain, about 3 minutes. Add confectioners' sugar, heavy cream, vanilla extract, and salt with the mixer running on low. Turn mixer up to high speed and beat for 3 minutes.

**Step 6.** Assemble and frost: First, using a large serrated knife, slice a thin layer off the tops of the cakes to create a flat surface. Place 1 layer on your cake stand. Evenly cover the top with cream cheese frosting. Top with 2nd layer, more frosting, then third layer. Top with frosting and spread around the sides. Top with blueberries or lemon garnish if desired. Refrigerate for at least 45 minutes before cutting.

## Easter Egg Cheese Ball

### Ingredients

- 2 (8-ounce) packages cream cheese
- 2 cups shredded sharp Cheddar cheese
- 1 (1-ounce) package dry ranch dressing mix
- ¼ cup minced fresh chives
- ¼ cup real bacon bits
- ¼ cup finely chopped pecans
- Ritz crackers for serving

### Instructions

Mix together cream cheese, cheddar cheese, and dressing mix in a bowl until well combined.

Form into a large egg-shaped ball in the center of a serving plate.

Cut wax paper into strips. Lay them across the cheese ball, leaving spaces every two strips where the cheese is exposed. Sprinkle chopped chives on exposed cheese, lightly pressing down so they stick to the cheese. Remove wax paper strips directly below the chives. Cover the newly exposed cheese stripes with bacon bits. Repeat by removing the final set of wax paper strips and adding chopped pecans in the remaining spaces.

Refrigerate for at least 2 hours, or overnight.

Enjoy!
