R.W. KNUDSEN GRAPEFRUIT CARNITAS

Servings: 6-8 | Difficulty: Medium

"Elevate your carnitas game with a tangy twist using R.W. Knudsen Family® Organic Just Grapefruit Juice. This recipe infuses tender pork with the refreshing citrus flavors of grapefruit, creating a zesty and unforgettable dish perfect for any occasion!"

Ingredients:

- 4-5 pounds skinless pork shoulder
- 1 tablespoon kosher salt
- 4 teaspoon ground cumin
- 2 teaspoon chili powder
- 2 teaspoon garlic powder
- 2 teaspoon dried oregano
- 2 teaspoon onion powder
- 1 teaspoon freshly ground black pepper
- 1 cup R.W. Knudsen Family Organic Just Grapefruit Juice
- Tortillas, flour or corn
- 1 small red onion, diced
- Fresh cilantro, roughly chopped
- Hot sauce (optional)
- Limes, cut into wedges

Directions:

1. Cut pork shoulder into six large pieces.
2. Season all sides with the spices, salt and pepper. Add grapefruit juice to the slow cooker and place pork pieces on top.
3. Cook on low for 6-8 hours (or high for 3-4 hours), until pork is fall apart tender.
4. Place cooked pork on a baking sheet and use forks to pull it apart into large pieces. Pour 1/2 cup of the cooking liquid over the shredded pork.
5. Place in the oven under the broiler until it crisps up. About 3-5 minutes.
6. Serve crispy carnitas in your favorite tortillas topped with cilantro, chopped onion, hot sauce and a wedge of lime. Enjoy!

Tip:

Don't have a slow cooker? Carnitas can also be cooked in a heavy stock pot in the oven at 325°F for 3-4 hours.

Kitchen Notes from Will White

Slow cooker carnitas with a pork shoulder roast are surprisingly simple to make and absolutely worth the wait. Start by generously seasoning your pork shoulder with a blend of salt, pepper, cumin, chili powder, garlic powder, and dried oregano — don't be shy with the spices, as the long cook time can mellow their intensity. Sear the roast in a hot skillet before

adding it to the slow cooker to build a deeper, richer flavor base. Add citrus juice for brightness, along with a few garlic cloves, a diced onion, and a chipotle pepper in adobo sauce for a subtle smoky heat. Cook on low for 8-10 hours (or high for 5-6) until the meat is fall-apart tender, then shred it and spread it on a baking sheet. The final step — and the secret to truly great carnitas — is broiling the shredded pork in the oven for 5-10 minutes to get those irresistible crispy edges before serving.
