Rooted in PA Picked for Mom

VAN HOEKELEN GREENHOUSES, INC. 

This Mother's Day, Lidl is proud to spotlight **Van Hoekelen Greenhouses**, the family-owned grower behind our vibrant spring tulips, located right in the heart of Pennsylvania. Led by CEO, mother and grandmother Lori van Hoekelen, this WBENC-certified company brings a touch of Dutch tradition to your home.

Unlike many modern growers, Van Hoekelen grows their tulips in a traditional sand and soil mixture rather than hydroponics. This mimics the natural Dutch landscape, resulting in stronger stems and more resilient blooms. From sourcing premium bulbs in the Netherlands to using recycled rainwater and energy-saving curtains, every tulip is grown with a deep respect for the environment. When you pick up a bouquet this week, you aren't just buying flowers; you're supporting a legacy of passion and sustainable craftsmanship.
